

Chipperfield Common Local Event Results 03/04/04.

Planner/Organiser Comments :

Chipperfield was really at its best and the weather almost ideal for a gentle run through the woodland. For those who treated the score as a competitive event, as opposed to a steady run in the country, we feel we got the lengths about right. The highlight of the day must be the Yudin brothers who, starting and finishing at different times, managed a dead heat on the Orange course.

Thanks as always to all stalward HH helpers before, during and after the event for making the day go so smoothly. Thanks also to Malcolm Durrant for the use of the Chipperfield Cricket Club pavilion.

If there are any claimants for the two compasses left behind please contact Lesley and Eric on 01923 242673, ec.brown@btinternet.com.
