David Skudlarek	Ind	33:01
Peter Errington	HH	35:43
Danny Figg	HH	41:21
French & Co	Ind	58:42

The map across the road is out of use because the National Trust is concerned about branches of the ancient beech trees falling on orienteers. The cast and crew of "Harry Potter and the Goblet of Fire" must be a expendable however, because they were filming in there this week, around one of those very trees!
